Re: Four Seasons Pools LLC
Letter of Recommendation

To Whom It May Concern;

Four Seasons Pool Company performed work on our Condo Community Pool. The work that was required was completed in a time efficient and professional manner. The quality of service was good and the technician was knowledgeable about the tasks he was assigned to do. The Palm Club Association was very satisfied with Four Seasons Pool Company and wouldn't hesitate to call on them again if needed.

IF additional information is needed, please feel free to contact our office at (386)445-3757 from 9 am to noon.

For the Association,

Peter Gambino

President
