To Whom It May Concern:

It is my pleasure to recommend Erik Eskeland and Four Seasons Pools, LLC. Surfside Estates is a resident owned, mobile home community. One of our most popular amenities is the pool. Over the past two years since I have been managing Surfside, Erik has been here several times for minor pool repairs and recently completed a major overhaul of our filter system.

It is rare in a community like this to find workers who show up when they say they will and complete a project in a timely manner. Erik is one of those workers. We are in the process of contracting with Four Seasons to do our pool maintenance. I couldn't be happier to have someone reliable that I can count on to make sure that our pool is safe for our residents.

If you have any questions, please feel free to contact me in the business office.

Sincerely,

  
Judy Wanderoef  
Manager
